

The image shows a web browser window with the URL 'essentials.availability.com/static/public/onb/onboarding-ui-apps/availability-fr-ui/#/login'. The page has a light blue header and a light blue background. In the center, there is a white card with the Availity logo at the top. The logo consists of an orange and yellow geometric shape followed by the word 'Availability' in a dark blue sans-serif font. Below the logo, the card has a title 'Sign In' in a large, bold, dark blue font. Underneath the title are two input fields. The first is labeled 'User ID' and contains the placeholder text 'Enter your user ID.'. The second is labeled 'Password' and contains the placeholder text 'Enter your password.' with a small eye icon to its right. Below these fields is a solid blue button with the text 'Sign In' in white. At the bottom of the card, there are two links in blue text: 'Forgot your user ID?' and 'Forgot your password?'.

What is 2-step authentication?

2-step authentication protects your account by asking for two pieces of information: your username & password combination plus a six digit code that will be sent to you.

2-Step Authentication

Protect Your Account

Ensure that the only person accessing your account is you, even if someone else knows your password. We'll send you a verification code to enter if we detect unusual activity.

How would you like to receive your code?

- ☐ Authenticate me using my Authenticator app
- ☒ Text me at (***) ***-6220
- ☐ Enter a one-time use backup code
